

## BLAblaPp.com > Bavard'Âge > 1108-Lun > Multi-session KO

> Connecté avec Michel/Michel

The screenshot shows a Firefox browser window with the title bar "BavardAge". The address bar displays "localhost:3000/conversation-list". The main content area shows a sidebar titled "Contacts :" with entries for "Juan" and "Damien". The main panel shows "Conversations :" with a list containing "Conv-poto" and "Juan". Below this is a section titled "La famille". A message at the bottom reads "BavardAge développée par les Bio(Wo)Men" and "rgennes 75015 Paris - techadmin@matrice.io - 36 07 (Taxi G7)". On the right side of the browser, the developer tools are open, specifically the "Console" tab. The console output shows several errors related to JSX code, indicating a bug where multiple sessions are sharing state. One error message is highlighted in yellow: "Une chaîne vide a été transmise à getElementById()", which is part of a larger stack trace involving "InstantChat.jsx:31" and "Logout.jsx:21".

> Flask > app > session['user'] = 2 l'id de Michel/Michel

```

> React > conversation-list > conversation/1 ouvrir la chatroom de La Famille

The screenshot displays two Firefox browser windows on a Mac OS X desktop. The left window shows a 'CHATROOM' interface with a sidebar titled 'Participants:' containing 'Damien' and 'Vous'. The main area shows messages from 'Damien': 'Ca va?' (2021-11-08 11:43:19), 'yo les mecs' (2021-11-08 11:51:29), and 'tranquile ?' (2021-11-08 11:52:10). The right window shows a 'Page de connexion' (Login page) with fields for 'Nom\*' and 'Mot de passe\*'. Both fields contain the value 'Damien'. A green button labeled 'ENVOYER' is at the bottom. Below the login form, a teal banner says 'Pas encore inscrit ?' and a blue button says 'ENREGISTREZ-VOUS'. At the bottom of the right window, it says 'BavardAge développée par les Bio(Wo)Men' and '11, square Vergennes 75015 Paris - techadmin@matrice.io - 36 07 (Taxi G7)'. The bottom of the image shows a terminal window with a log of network requests.

> React > conversation-list > ouvrir la chatroom de La Famille (1)

The screenshot shows two browser windows. The left window displays a list of participants: Damien and Vous. The right window shows a list of conversations: Conv-poto, La famille, and Petit-chat. The 'La famille' conversation is selected. The developer tools console tab is open, showing numerous warnings related to CSS selector issues and unused variables.

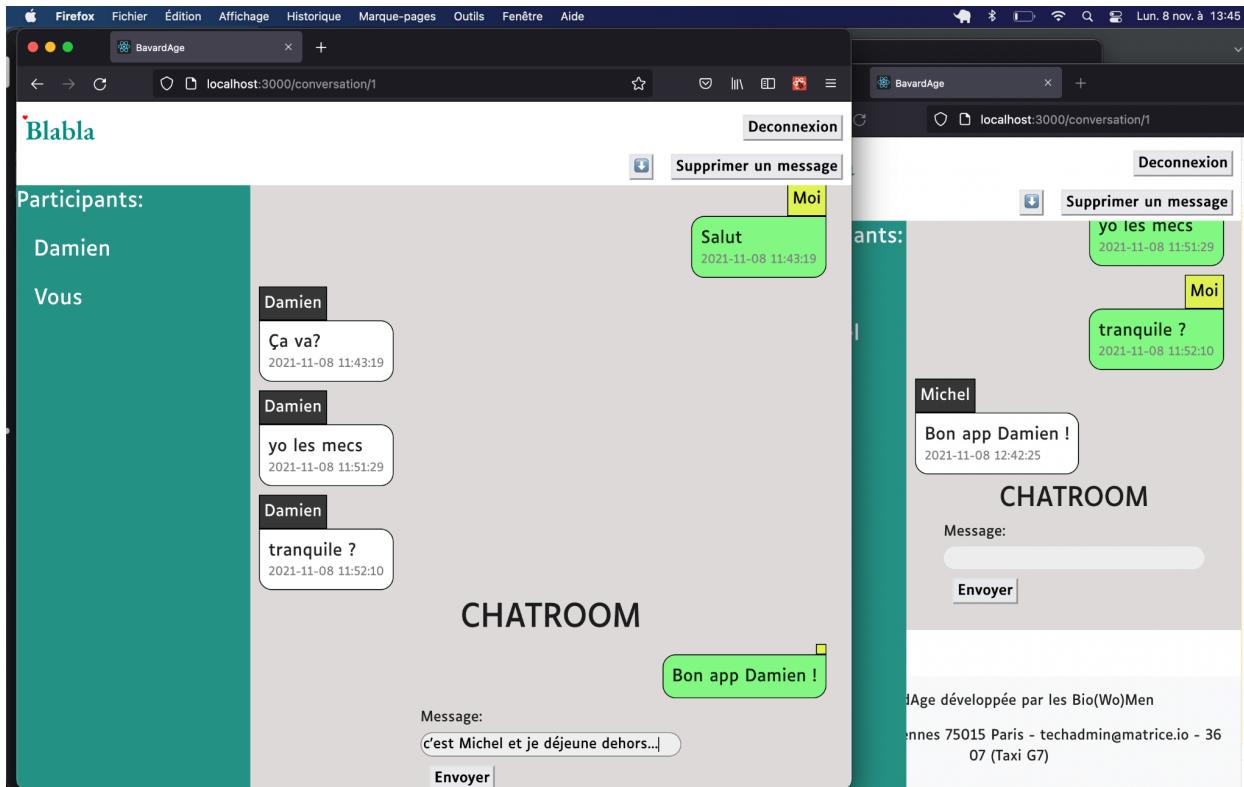

> React > conversation/1 > reajct / flask fetch js du message 'Bon app Damien !'

The screenshot shows two browser windows. The left window shows a conversation between Damien and Vous. The right window shows a conversation between Michel and Vous. Both windows have a message 'Bon app Damien !' in their respective message boxes. The developer tools console tab is open, showing errors related to CSS selector issues and unused variables.

> React > conversation/1 > flask fetch js du message 'Bon app Damien !'
